

## 2008/9 12-car Season - Flyer 10

### Events Calendar:

With the last round of the 12-car season now behind us, there's just the Trophies to dish out before we get into the Autotest season. Can I just say a huge thanks to everyone who has organised, marshalled or competed this season for making it such a success.

**Trophies**, will be awarded at the RMC AGM on the 22<sup>nd</sup> April at Historic Motorsport in Daventry. A good chance to have a look round the museum and pick up your trophies. See you all there about 8pm which should give you time for a look round the cars before we start. <http://www.davidsuttoncars.com/historic/historic.htm>

### Notices

Gold & Silver Goblets – **Multi venue Autotest**, 4<sup>th</sup> July. Chris Valentine is trying to revive this classic C&W event using 3 of our regular club autotest venues linked by simple un-timed road sections. Regs should be available as soon as I get confirmation of the permit from the MSA, I've already had about 10 requests for entries so its looking popular. Contact [christopher\\_valentine@goodyear.com](mailto:christopher_valentine@goodyear.com) for more details.

The Loughborough Car Club Autotests & Autosolos on Tuesday nights are as follows.
